

Field Course Summer 2023

Join us for a unique hybrid learning community and Honors Core Seminar combining A Survey of Ecology BIO 103 and Native American Literature EGL 135. In this 8-week course, we'll take learning on the road from 7/9 to 7/24!

We'll BioBlitz at national parks - Badlands, Yellowstone, and Theodore Roosevelt - while learning about Native American cultures and histories.

If you like nature, camping, and hiking while thinking, this class is for you. Tell your friends and contact either Professor Lesniak tlesniak@oakton.edu or Professor Staats mtaats@oakton.edu to enroll.

Spots are limited, so don't delay!
